### First Things First | Accommodation & Memberships

Planning a Peligoni holiday begins by securing your accommodation, from one of our Peligoni approved options listed on our website. This must be booked alongside weekly club memberships for all your party to allow access and use of our facilities, areas and activities.

### Tailoring Your Trip | Things To Book Early

There are many activities and add-ons you can obtain to personalise your holiday, some of which we highly recommend booking as soon as you have secured your Accommodation & Club Memberships. Booking car hire early ensures the best prices whilst everything else listed below is subject to limited availability, so the sooner they are reserved the less chance you will be disappointed later on.

2. Watersports Upgrades
3. Odyssey Yacht Trips
4. Villa Hosting
5. Car Hire
6. Tennis Academy
7. Crèche Spaces

9. Paddlesport & Watersport Upgrades
10. Car Hire

These can all be booked on the guest hub by filling in a request form. Our team will be in touch shortly after to take payment for everything except for Villa Hosting, which will be added to your tab at the club.
